

For Immediate Release:

The City of Schulenburg is informing citizens that because of the threat of inclement weather this coming Tuesday, residential garbage pickup for the North side of town, which is north of the railroad tracks, will be Monday, January 20th. Please have the totters at the curb by 6:00 A.M. Monday morning as we are running three trucks. We will NOT go back and pick up totters that are missed.

Also, the City Council Meeting scheduled for Tuesday, January 21st is now scheduled to begin at 2:00 P.M.

Please monitor the City's social media pages for updates over the weekend.

Mason Florus

City Secretary
